

# Corona protective rules

**Due to the special situation, please note when participating in our workshops ensure compliance with the following applicable hygiene measures:**

**Mask**

**Distance**

**Contact**

**Desinfection**

**Symptoms**

**Please bring your own mask/s with you to the workshop. If you are exempt from wearing a mask due to medical reasons, please contact us before the start of the workshop.**

**In the workshop itself, it is generally not necessary to wear a face mask, because for adequate safety distances and ventilation of the premises is provided.**

## General hygiene rules:

Please stay at home if you notice any symptoms of illness or if you feel unwell.

We ask people at an increased risk of severe COVID-19 disease to carefully consider participation in the workshop.

Please avoid touching your face (especially your mouth, nose, eyes).

Note the cough and sneeze rules (in the crook of your arm or a sturdy handkerchief).

## In location and training area:

Please use the disinfectant provided upon arrival.

Pay attention to protective distances, markings on the floor and information signs.

Please keep a fixed seating arrangement during the training.  
Our speakers are obliged to document this.

Partner and group work only in compliance with hygiene and distance rules.  
If minimum distances have to be fallen short of for a short time, a mouth and nose protection mandatory.

If possible, please do not share work materials (such as pens) with other people.

Breaks are varied in terms of time or kept spatially separate if possible. please take care nevertheless, here too, the prescribed minimum distances and mouth-nose coverage.

Please always ensure thorough hand hygiene, especially before and after using the toilet.  
Of course, disinfectants are also available in our sanitary areas.
