QuarryX workshops 2024

Program

Our program is divided into two days. You get an overview of new functions, but also of solutions that have proven themselves in practice. We also give you an insight into our other product development and would like to work with you to find inspiration for future software developments.

Day 1

9:00 am to 10:30 am	Welcome Practical workshop BlastManager BREAK
11:00 am to 12:30 pm	Practical workshop QuarryX LUNCH BREAK
1:30 pm to 3:00 pm	Practical workshop QuarryX and QuarryDetonator BREAK
3:30 pm to 5:00 pm 5:00 pm to 5:30 pm	Practical workshop QuarryPocket Prospect: developments on QuarryX, QuarryDetonator and QuarryPocket

Day 2

9:00 am to 10:30 am	Practical workshop Drilling & blasting BREAK
11:00 am to 12:00 pm 12:00 pm to 12:30 pm	Practical workshop Drilling & blasting Closing discussion
